cents, and shall receive a receipt exempting him from the four days labor required by this section for that year: *Provided further*, that any person coming of age, or becoming a resident of any township after the first day of April, shall be required to pay without delay the proportionate part of the money requirement for exemption, or shall work the remaining proportionate part of the four days for that year: *Provided further*, no person shall be required to work on the public roads outside of the township in which he resides, except he shall be required to work roads running along the line between any two townships.

SEC. 4. That when citizens of a neighborhood ask for a new road, the board of county commissioners may appoint overseers on such roads and assign to said overseers such hands from the body of the township in which the road is located as in the opinion of the commissioners may be necessary to open and put such road in lawful condition: *Provided*, such hands shall be required to work not more than three days in any year in addition to the road duty required by section three of this act.

SEC. 5. That any official or any person receiving money paid in lieu of road labor, as provided in section three, shall, within thirty days, pay the same to the treasurer of the road fund, to be credited to the road fund of the township from which the same was received, and on failure to pay over said money he shall be guilty of a misdemeanor.

SEC. 6. That any person liable to road duty having failed to pay the money required in lieu of the four days work within the time specified in section three of this act, who shall, after being duly notified, fail to appear and work as required to do, or who shall appear as notified and fail or refuse to perform good and reasonable labor as required by the official or person in charge of the work, shall be guilty of a misdemeanor, and on conviction shall be fined not less than two dollars nor more than five dollars, or sentenced to work on the roads of the county or township for not less than ten nor more than twenty days; and it shall be the duty of any official or person in charge of the road work to present the names of such offending persons to any court having jurisdiction of the offense, with necessary information, and it shall be the duty of the court to issue process for such persons and proceed against them according to law.

SEC. 7. Tools and implements purchased for working the roads shall be paid for out of the county or of the township in which they are used: *Provided*, when the township has not sufficient tools, any person notified to work the roads may be required to provide himself with such tools as are ordinarily used, and as shall be designated in the notice.

SEC. 8. That the official or person authorized to receive money in lieu of the four days labor shall carefully prepare and make and furnish to the board of county commissioners copies of the follow-
